## Annual Congregational Meeting and Dinner To Take Place Sunday Evening, January 11th

The Second Annual Congregational Dinner in conjunction with the Annual Meeting of the Park Avenue Synagogue will take place on Sunday evening, January 11th, at 6:30 p.m. in the Vestry of the Synagogue.

Hon. Bernard Botein and Milton Weill, outgoing Chairman and Vice Chairman, respectively, of the Board of Trustees are the guests of honor for the evening. In this way the Congregation wishes to pay tribute to these men who have given many years of devoted and selfless service — years marked by tremendous growth of the Synagogue, its activities, membership, and prestige.

The Committee on Arrangements, which is composed of Sanford H. Cohen, Chairman, Abraham N. Geller, Harold H. Levin, Frances Peiper, and Benjamin Sack, has indicated that this year's "party" shall be even more pleasurable than last year's very successful one.

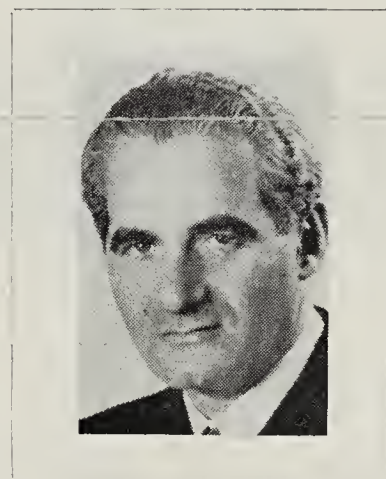

The dinner which will open the evening's festivities will be limited to the first 250 who have sent in reservations due to the limited capacity of the Vestry. The price for the dinner is \$3.75 per person, which, considering costs these days, is very moderate. Those who have not already made reservations and wish

### Rabbi Zimet Occupies Pulpit on January 16th

Rabbi Erwin Zimet will once again occupy the pulpit of the Park Avenue Synagogue, on Friday evening, January 16th. He will be affectionately remembered by all but our newest congregants as the associate rabbi and who left our pulpit a year and a half ago to become the spiritual leader of Temple Beth-El in Poughkeepsie.

"The Small Jewish Community and the Large—A Contrast" will be Rabbi Zimet's topic for the evening. His experiences of the past few years, first in this Synagogue in the largest Jewish community in the world and more recently in Poughkeepsie, a small one; will provide the background for this sermon.

### MORRIS EDELMAN

He occupied these positions for  
many years, serving faithfully and  
with outstanding devotion to his  
duties to the Synagogue which he  
loved so well. The officers, trustees,  
advisory council and congregants  
pay tribute to his memory.

## From the Desk of The Editor

The Synagogue is proud to report that  
a very substantial sum was raised for  
*Haganah* at a recent "parlor meeting"  
at the home of Mr. I. M. Cohen. This  
was the first of what promises to be a  
series of such meetings which will en-  
deavor to reach all of the members of  
the congregation.

*Haganah's* needs, however, are so  
great that we feel that every member of  
the Synagogue should not wait to be  
asked to contribute at these meetings  
but should forthwith send his contribu-  
tion to the Synagogue.

Organizations within the Synagogue  
have been cooperating as evidenced by  
recent donations from the Sisterhood,  
Junior League and Young Marrieds. The  
Sisterhood donated \$500.00 from its  
treasury and at the *Hanukkah* party on  
December 14th an additional \$700.00  
was raised. The Junior League has re-

cently contributed \$500.00 which suple-  
mented an earlier gift of the same  
amount made last March. Both Young  
Marrieds groups have undertaken to  
raise the sum of \$500.00.

We should like to further emphasize  
the urgent need for funds which is not  
to be confused with the current enor-  
mous undertaking of the United Jewish  
Appeal; as quoted from Leonard Lyons'  
column in the *New York Post* of De-  
cember 2nd, "There was an emergency  
meeting of the executive committee of  
*Haganah* last night and it was decided  
that a fund raising drive for the millions  
of dollars needed to buy tanks, planes  
and ammunitions be started immediately.  
This is not intended to supplant the  
*Haganah* allocations for the United Jew-  
ish Appeal Fund, but since these alloca-  
tions cannot be made for a few months  
and the needs are current, the campaign  
will start now."

tiring as President and Vice-President,  
respectively.

Mr. Friedman, who completes thirty  
years as our esteemed President, whose  
dedication to Judaism as a whole and  
to our Synagogue in particular has set  
an outstanding example to be followed,  
will continue as our Honorary President.  
His role in the career of the Park Avenue  
Synagogue cannot be overestimated for,  
at all times, since its creation, he has  
been its guiding spirit and motivating  
force. In its years of distress, he was,  
above all others, responsible for its sur-  
vival and regeneration. We are proud  
to have had him as our leader these  
past three decades.

Likewise, Mr. Weill, who has been  
Vice-President of the Park Avenue Syna-  
gogue since it was formed when *Agudath  
Jeshorim* joined with the *Atereth Israel*  
Congregation of which he was the Presi-  
dent thirty years ago, will continue as  
our Honorary Vice-President. We know  
it is with regret that Mr. Weill steps  
from his active role because of his ad-  
vanced years, and we hope he will con-  
tinue in his new capacity for many more  
years to come.

A change is also occurring in the  
Chairmanship and Vice-Chairmanship  
of our Board of Trustees. Hon. Bernard  
Botein is retiring as Chairman after a  
five year term in office during which the  
mortgage indebtedness of the congrega-  
tion has been all but completely liqui-  
dated, a sizable fund for a new School  
Building accumulated, the membership  
roster doubled and the program expand-  
ed mightily. Mr. Milton Weill relinquish-  
es the office of Vice-Chairman which he  
has held for ten years and will continue  
as a Board member.

The slate of officers for the coming  
year, submitted by the Nominating Com-  
mittee and approved by the Board of  
Trustees is as follows:

President—Dr. E. D. Friedman

Vice-President—Samuel Kogan

Treasurer—George Armour

Asst. Treasurer—Arthur Ochs

Exec. Secretary—Emanuel Rosenthal

Chairman, Bd. of Trustees—

Benjamin Sack

Vice-Chairman—Ezra Cohen

Dr. Emanuel David Friedman, better  
known to most of us as just E. D. Fried-

man, has been nominated as President for this distinguished physician is a learned and ardent Jew who, knowing the Jewish tradition and loving it is regarded by the Nominating Committee and the Board of Trustees as a splendid embodiment of that combination of traditionalism and modernity toward which our congregation aspires in its group life.

Recently, after 37 years with the New York University College of Medicine as a Professor of Neurology, and Chairman of the Department of Neurology for many of these years, he retired receiving the title of Professor Emeritus. He continues to be chief of the Neuro-Psychiatric Division of Beth Israel Hospital and neuropsychiatrist to the Psychiatric Division of Bellevue Hospital as well as his private consulting practice and some postgraduate teaching at the college.

Mr. Samuel Kogan, who is nominated for the Vice-President, has been one of the Board of Trustees' most faithful and hardworking members.

Those who have been nominated for membership on the Board of Trustees for three years until 1951 are: Hon. Bernard Botein, D. Leonard Cohen, Harold H. Levin, George Lyttle, Arthur Ochs. Simon Rifkind, Milton Weill, and Melvin Krulewitch.

The following have been nominated for membership on the Advisory Council for three years: Benjamin Bernstein, Murray Blumenthal, I. M. Cohen, Isaac Liberman, Irving Geist, Jules Mendel, William Heller, Alex Ostriker, and Herman Weiss.

The main matter of business will be the election of officers. The Congregation will also be called upon to ratify the recommendation of the Ritual Committee that the Reconstructionist Prayer Book be adopted as the regular Sabbath Prayer Book.

She will be introduced by Mrs. Bertha Hamerman, National American Affairs Chairman of Hadassah and an active member of Sisterhood. Mrs. Halpern has been National Political Chairman for Hadassah and as such has had much experience in the affairs concerning Palestine and the UN. All the women of the Synagogue are invited to take advantage of this opportunity to hear at first-hand of momentous happenings.

Mrs. Esther Friedman asks that more volunteers join the Sewing Group. Please contact her at the Synagogue if you have any spare time which you would care to devote to this worthwhile occupation.

## Junior League Dance

Everyone is cordially invited to attend and enjoy themselves and at the same time help the Junior League raise money for the various charities to which it contributes.

## Rabbi Erwin Zimet

(Continued from Page 1)

Beth-El's congregation has grown steadily since Rabbi Zimet's arrival. As was to be expected, Rabbi Zimet has concentrated on his educational program. A religious school, a junior congregation and adult classes have been launched with success. A vigorous Jewish cultural life has come into being through Rabbi Zimet's efforts.

Following the service an *Oneg Shabbat* will be held in the Vestry.

## Rabbi Akzin Initiates Second Adult Series

In a further attempt to draw newcomers into the orbit of Congregational life, all new members of the Congregation have received an invitation to attend, free of charge, the first lecture of the second Adult Education Committee series entitled "Pattern of the New Judea," scheduled to get underway Monday evening, January 12, 1948, at 8:30 p.m., in the Vestry. The Committee is confident that many will respond to the invitation, and the number of active participants in the adult education program will be increased.

The series is set for Monday evenings: January 12: "Government and Law"; January 19: "The Economic Structure"; January 26: "The Religious and Cultural Pattern"; and February 2: "The Arab Minority".

The first speaker of the series will be Dr. Benjamin Akzin, political specialist for the American Zionist Emergency Council, and formerly a member of the President's War Refugee Board. Dr. Akzin brings to the lecture on proposed governmental and legal structure of the new Jewish State, a wealth of information gained from study and work in governmental bodies and with Jewish Agencies both in Europe and in this country.

The series itself, "Pattern of the New Judea", is designed to meet many questions which members of the Congregation must have about the establishment of a government in Eretz Yisrael. The manifold problems of legislative and administrative structure, of finance and economy, as well as those of religion and culture, and political relationships, both within the New State and in its foreign relations—all these will be briefed by experts at the three lectures following that by Dr. Akzin. The names of future speakers will appear in the next issue of THE BULLETIN.

In a report to Harold H. Levin, Chairman of the Adult Education Committee, Mrs. Milton N. Grass stated that its program innovation for the year 1947-1948, The Home Study Groups, of which she is chairman, has been a resounding success. Members of the Congregation still desiring to join or establish one of their own, may contact Mrs. Grass through the Synagogue office.

## Parents' Association

The Parents' Association has made big plans for the mid-year Open Meeting to be held on Wednesday evening, January 14th, at 8:30 p.m. in the Vestry.

The speaker of the evening will be Dr. Abraham Franzblau, Dean of the School of Religious Education, Hebrew Union College. Dr. Franzblau, who is educator, psychologist, and physician, brings his vast experience and rich background to the discussion of children's emotions. His talk is entitled: "Your Child's Emotional Development: Does Religion Help or Hinder It?"

The faculty of the Religious School will be present for the meeting. In this way the parents will be able to meet with their child's instructor and seek all the desired information.

The Parents' Association will be host that evening to another Parents' Association, that of the Society for the Advancement of Judaism. Everyone is urged to attend. As usual, the Hospitality Committee will provide the refreshments to follow.
